HYMN: "LUCIS LARGITOR"

BEFORE 6TH C.; TR. © 2023 ICEL

IV
O God of splendor, source of light by your se-rene and shin-ing ray the day
unfolds and floods the day when hours of night have run their course. A-men

For you are earth's true morning star,
and not that star, so frail and small,
which shines with pale and narrow gleam,
as herald of the coming day;

But you are brighter than the sun,
the light itself, and perfect day,
who bring to light with piercing beam
the inmost regions of our hearts.

May chastity of mind and soul

subdue what flesh with pride desires
and keep the body chaste and pure,
the Spirit's holy dwelling place.

O Christ, to you, most loving King,
and to the Father glory be,
one with the Spirit Paraclete,
from age to age for evermore. Amen.
